

10 February 1972

MEMORANDUM FOR: DCI/NIPE Comptroller

SUBJECT : Transmittal of CIRIS Displays on Defense Program 3
(Intelligence) Resources, FYs 1967-71

1. The tabulations, identified specifically below, are provided from the CIRIS data base in response to your request. To expedite transmittal for your use, we are sending you a clean copy of our work sheets.

2. The source of this information is the January 1971 FYDP.

3. You should be aware of the following in connection with your further use of or reference to this information:

Last year, in his testimony before Congress, the Secretary of Defense was reported by the press to have refused to make available FYDP data for Congressional committees. It was reported that he denied the existence of official DOD figures for future years. A DASD(I) staff man told me that the Secretary of Defense had issued a general directive to his department that FYDP data were not to be made available or disseminated outside the Defense Department.

4. These tabulations were prepared under the direction of Harry E. Rhoads. Please contact him direct if your staff has further questions.

5. The tabulations transmitted herewith are:

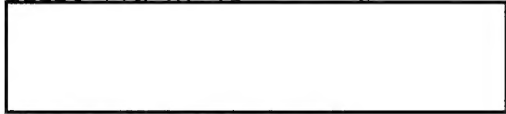

Enclosure 1 - Dollar Resources Tabulated by Intelligence Program within the Defense Agencies and Military Services, FYs 67-71

Enclosure 2 - Manpower Resources Tabulated by Intelligence Program within the Defense Agencies and Military Services, FYs 67-71

Enclosure 3 - Dollar Resources Tabulated by Appropriation within the Defense Agencies and Military Services, FYs 67-71
